MTE 202324

Overview

3 June 2022, Shah Alam – The Malaysia International Metalworking, Machine Tool And Engineering Exhibition, Metal Engineering Expo 2022 (or MTE 2022) concluded with exhibitors reporting better sales and business transactions. The sales generated at MTE 2022 is estimated to be well over RM 350 million.

Despite a two-year delay due to the Movement Control Order, the exhibition still manage to attract a total of 231 exhibiting companies from 21 countries. The exhibition was held from 25 to 28 May at the one of its kind venue, the Setia City Convention Centre (SCCC), Shah Alam, Malaysia.

Dennis Lim, the Managing Director of MTE Exhibition Sdn Bhd said that “the 2022 exhibition has managed to attract the largest gathering of machinery, equipment and accessories for the manufacturing industry.

This is largely due to the loyal support and participation from key industry players who has worked relentless to make this event successful.”

“We are truly grateful to all the exhibitors that have supported us!”

“MTE 2022 not only raked in a substantial amount of sales but have also attracted a total of 9,363 quality trade visitors from 21 countries comprising of decision makers from various manufacturing sectors.

We are extremely thankful to all the visitors who have come near and far alike that have made time through their busy schedule to view the latest products and equipment at MTE 2022.”

He further commented that “MTE 2022 have also curated several Industry 4.0 solutions for visitors”

This solution are able to provide companies with a full insights to its applications in their daily operation.

The solutions enables them to implement improvements in their production processes and enjoy cost-effective workflow.”

With the tagline “Transforming Opportunities into Business”, MTE 2022 aims to assist local and international players alike in boosting their presence through the exhibition. The exhibition aims to attract an abundance of business contacts over the four-day exhibition and turning those opportunities into new businesses via a conducive business environment.

Exhibition Report

Show Name :	:	METAL ENGINEERING EXPO 2022 (MTE 2022)
		Malaysia International Metalworking, Machine Tool and Engineering Exhibition
Show Dates :	:	25 – 28 MAY 2022
Show Venue :	:	SETIA CITY CONVENTION CENTRE (SCCC), SHAH ALAM
Exhibition Space Take-up	:	12,000 square meters
Number of Exhibiting Companies	:	231 companies from 25 countries
Estimated Value of Exhibits	:	RM150 million
Total No of Trade Visitors	:	9,363 trade professionals from 21 countries
Total Estimated Sales	:	RM 200 million (on-the-spot and follow-up)
Endorsed by	:	Malaysia External Trade Development Corporation (MATRADE)
Supported by	:	<ol style="list-style-type: none"> 1. Federation of Malaysian Foundry and Engineering Industries Association (FOMFEIA), 2. Federation of Malaysia Hardware, Machinery and Building Materials Dealers' Association (FMHMBA) 3. Malaysia Special Tooling and Machining Association (MSTMA) 4. Malaysian Automation Technology Association (MATA) 5. Small and Medium Enterprises Association (SAMENTA) 6. Malaysia Cable Manufacturers Association (MCMA) 7. Selangor and Federal Territory Machinery Merchants Association (SAFMA), 8. Selangor and Kuala Lumpur Foundry and Engineering Industries Association (SFEIA) 9. Penang Foundry and Engineering Industries Association (PENFEIA) 10. Welding Institute (Malaysia) Berhad.(WIM)

Exhibitor Analysis Report

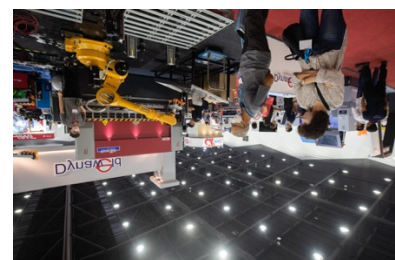

Exhibit Profile

The Malaysia International Metalworking, Machine Tool and Engineering Exhibition or METAL ENGINEERING EXPO (MTE 2022) is a four-day trade event that feature solutions in machine tool, metalworking and engineering technology.

The exhibition gathered **231** EXHIBITING COMPANIES from **25** COUNTRIES in one venue for a series of meetings, learning, networking and showcasing of the latest machineries, equipment and solutions available in the market today.

Profile of exhibits at the exhibition are:

- MACHINE TOOLS
- SHEET METAL TECHNOLOGY
- WIRE & TUBE TECHNOLOGY
- METROLOGY
- CUTTING TOOLS
- MOULD & DIE
- AUTOMATION TECHNOLOGY
- SOFTWARE & PROTOTYPING
- SUBCONTRACTING
- WELDING & CUTTING TECHNOLOGY
- SURFACE FINISHSING
- HEAT TREATMENT
- MATERIAL HANDLING
- INDUSTRIAL TOOLS & HARDWARE
- ROBOTICS
- AIR COMPRESSORS

Visitor Breakdown by Primary Job Function

More than **21%** of visitors are from the Top Management Level.

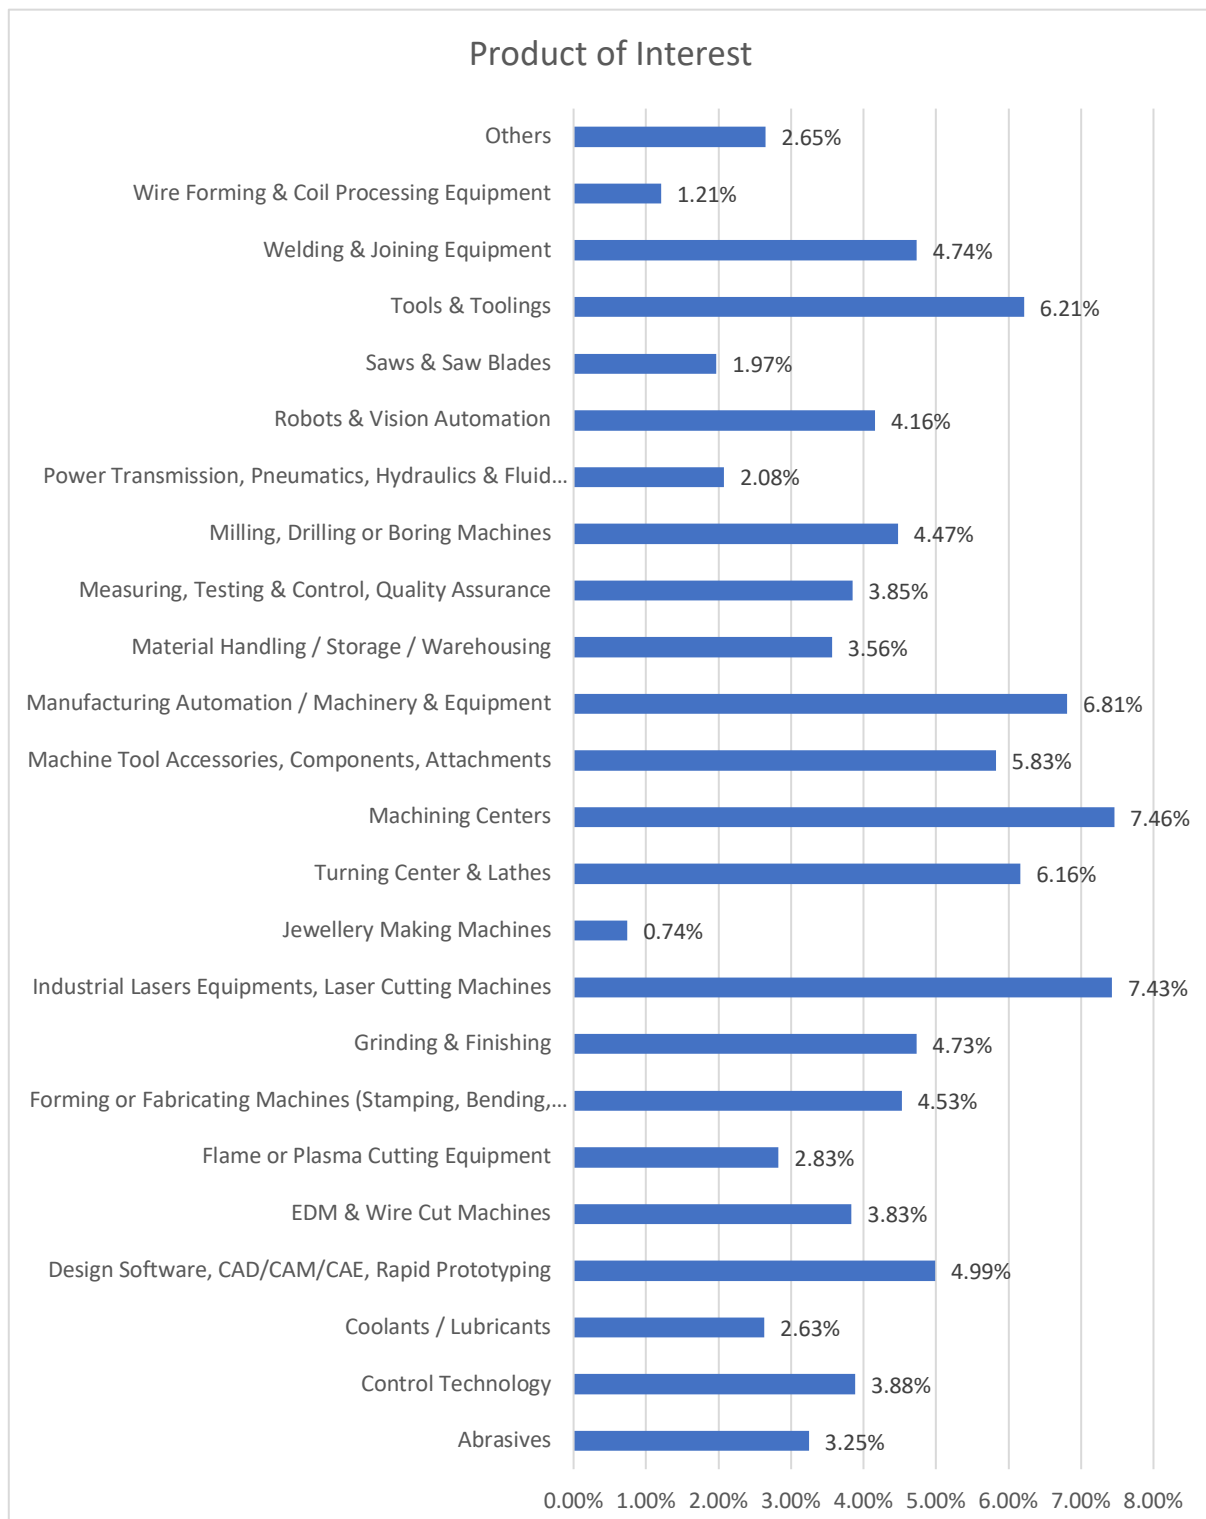

Visitor Breakdown by Company's Main Activity

More than **50%** of visitors are from the metal engineering and manufacturing sectors.

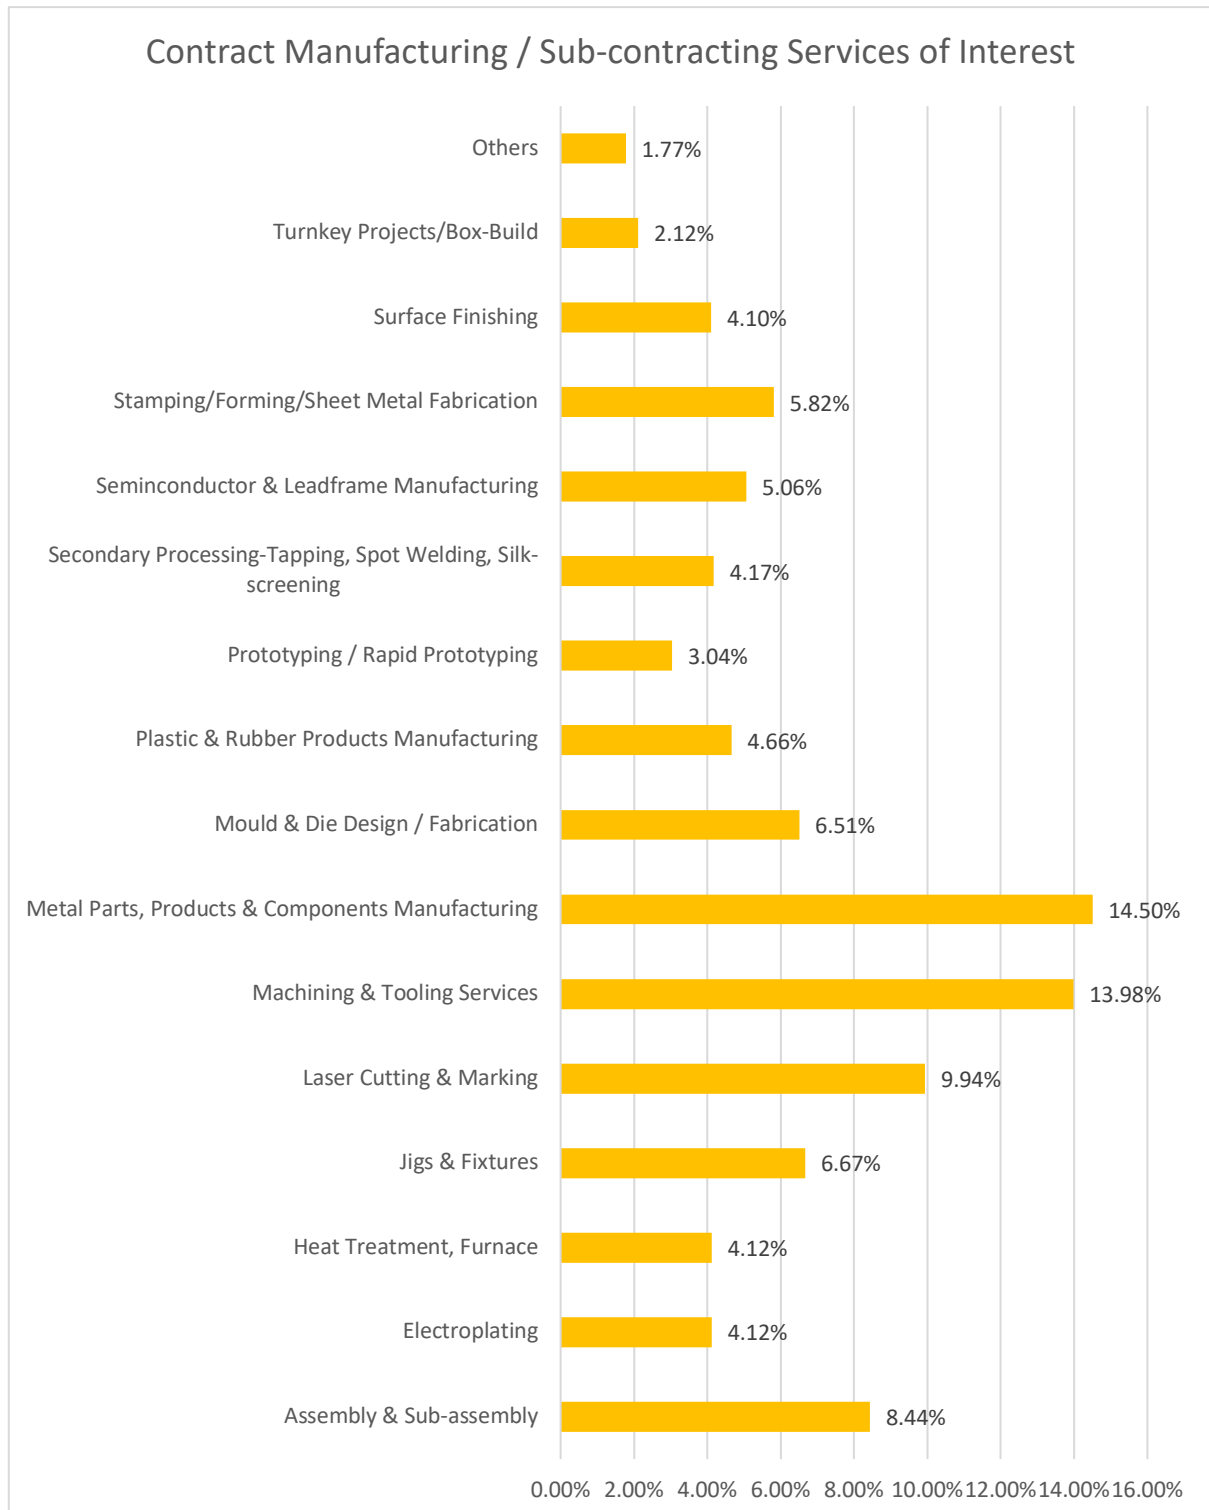

Visitor Breakdown by Product of Interest

Top **THREE** products that are of interest to visitors are Industrial Laser machinery/equipment, machining centers and manufacturing automation systems.

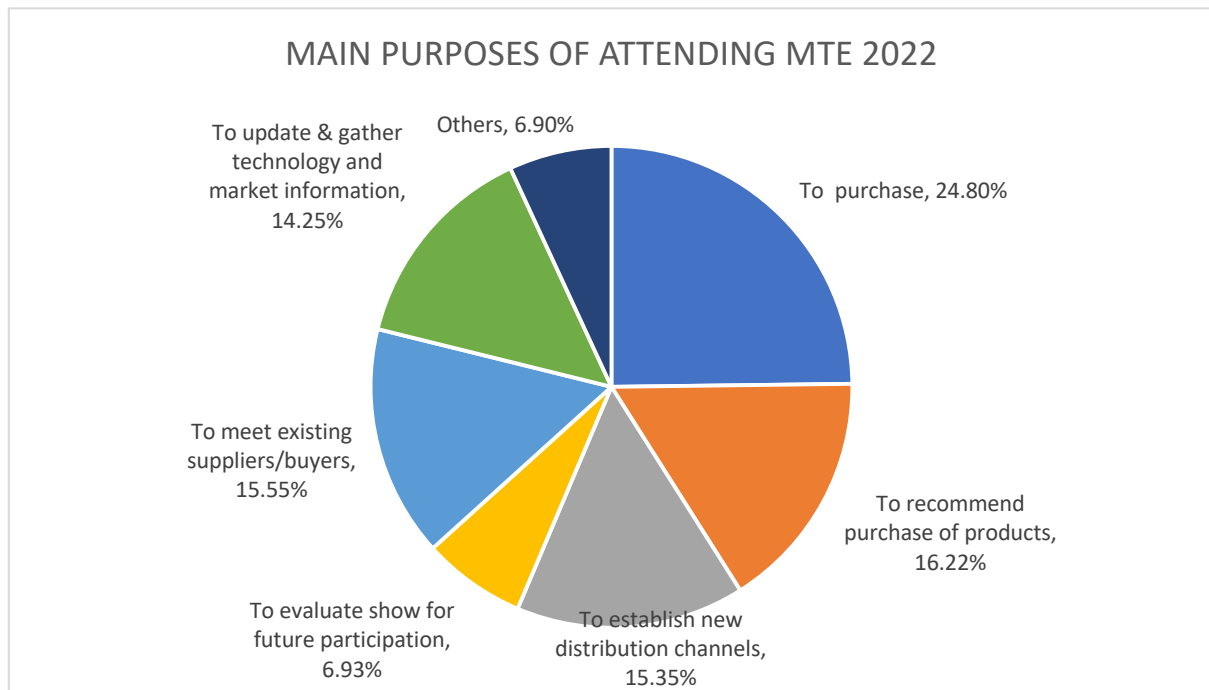

Visitor Breakdown by Contract Manufacturing/Sub-contracting Services of Interest

Top **29%** of visitors are interested in Metal Parts, Products & Components and Machining & Tooling Services contract/sub-contract manufacturing.

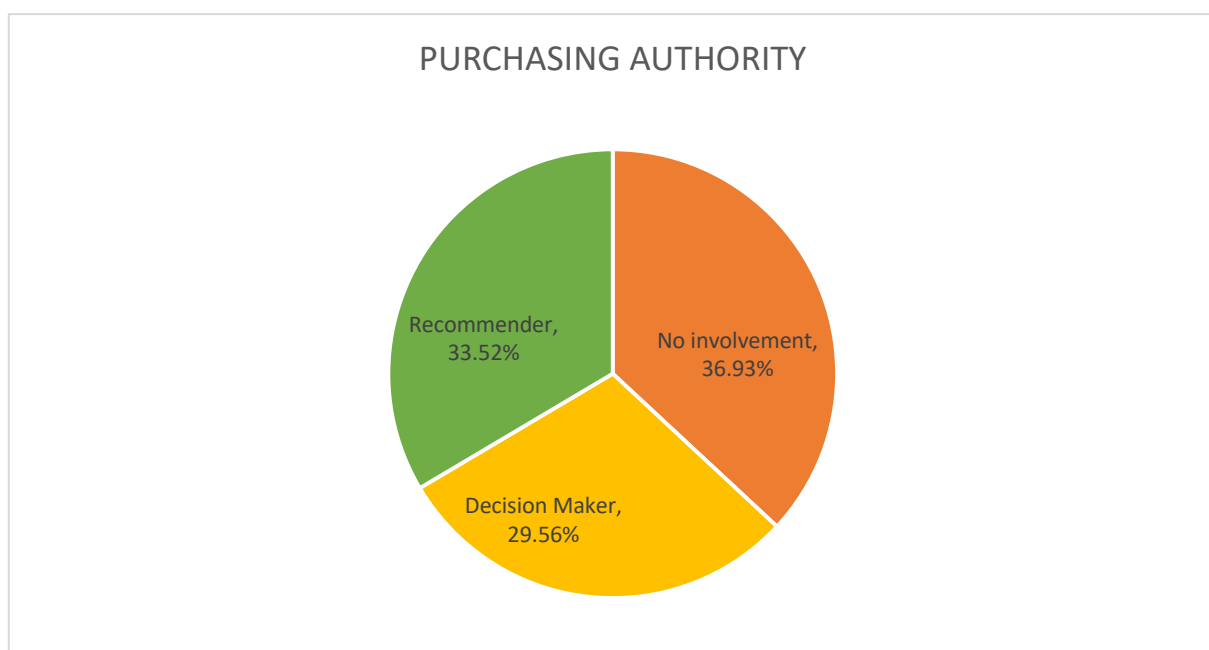

Visitors Main Purpose of Attending MTE 2022

More than **56%** of visitors who attended MTE 2022 are at the exhibition to make purchases or recommend the purchase of products as well as meet existing their suppliers/buyers.

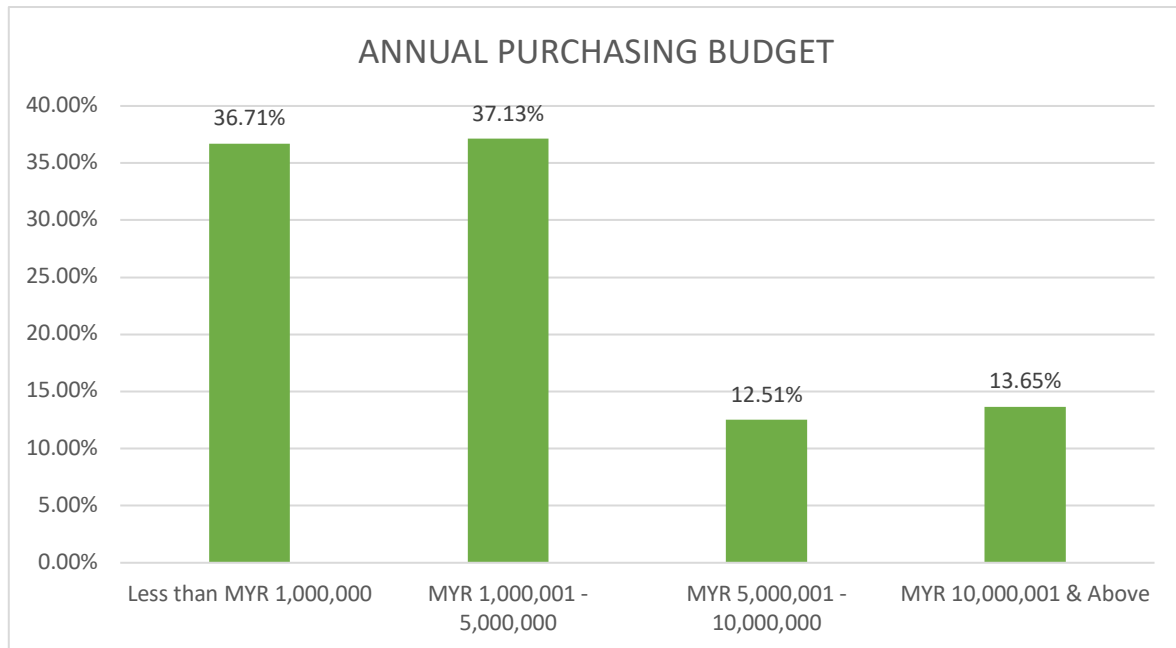

Visitors Purchasing Authority

More than **63%** of visitors who attended MTE 2022 are decision makers or can influence purchasing decisions.

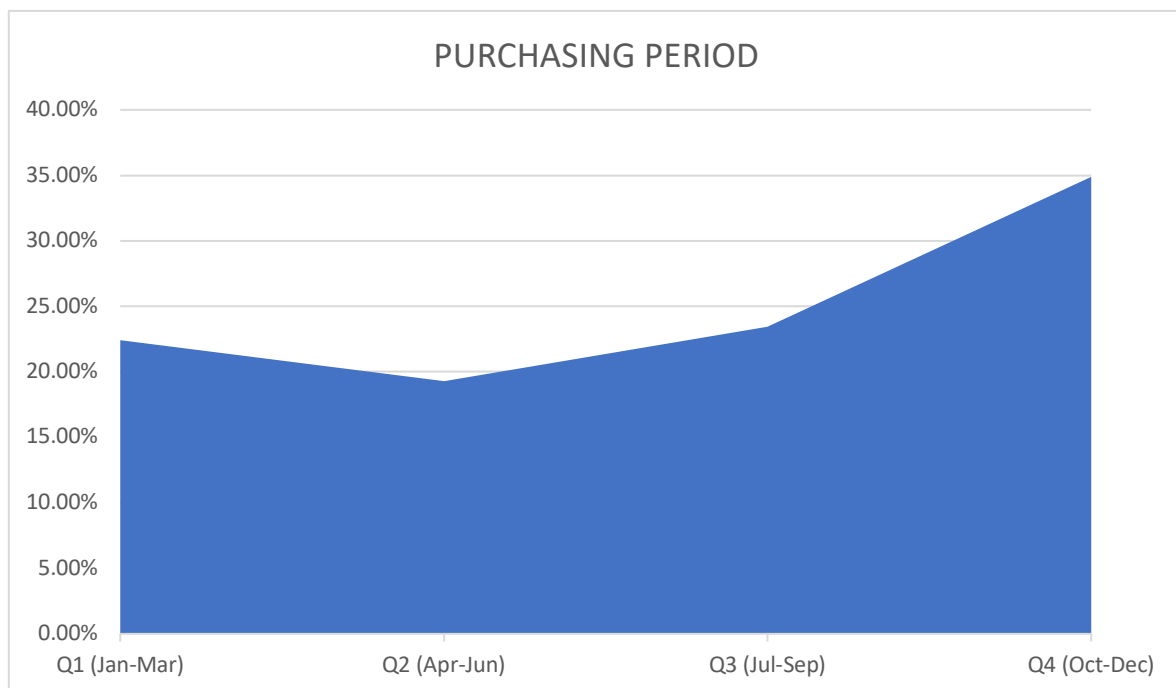

Visitors Annual Purchasing Budget

63% of visitors who attended are at the show have an annual purchasing budget of between RM 1 to 5 million.

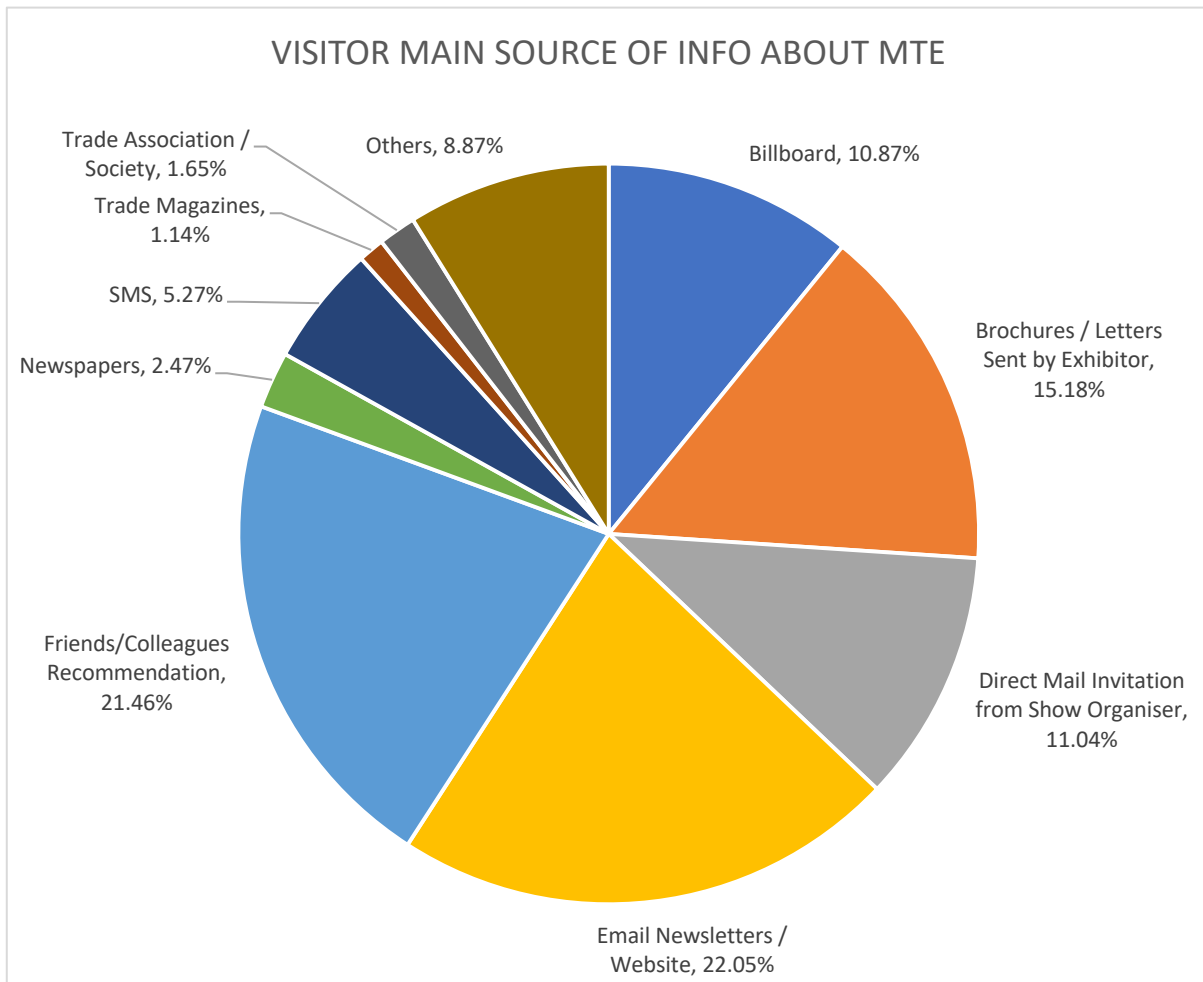

Visitors Purchasing Period

Purchasing period of MTE 2022 visitors is toward **Q4 of 2022**

Visitors Main Source of Information on MTE 2022

Visitor gets their main source of information about MTE 2022 from **Digital Sources** and **Word of Mouth**.
